

# Presenting

## Begin

- Start with promise

*At the end of this talk you will know more than before*

## Slides

- No reading slides
- Reduce Number of words
  - Humans only have one word processor
- Try to have a picture on every slide
- Eliminate clutter

## Interaction

- Arrows in slides instead of pointing
  - Don't turn back to audience
- Be inspiring

## Conclusion

- List your contribution to the topic
- Mirror promise?
- Joke?
- Thank you (for listening) → maybe not, since it is a weak move
